C.E.O. Massege

Al Rawasi Qatar Transportation Company W.L.L. started in 2004 with a focus on Heavy Equipment Rental Business. From modest beginnings, Al Rawasi Qatar Transportation Company W.L.L. has grown rapidly, just like the state of Qatar. We are committed to provide high quality of work on time and within budget because of this, our client base continues to grow. Most of our clients repeatedly award work to Al Rawasi Qatar Transportation Company W.L.L. they know we have the skills, resources and expertise, and most importantly, the ability to complete their projects to the highest standards, on time, The Company has extended its operation beyond the State of Qatar by opening a branch in KSA-Riyadh and have also planned to open up in GCC Country UAE-Dubai in the due course of time.

The Company has a staff of 150 permanent employees. The number of employees does go up to 400 during various projects.

We are now among the top suppliers & rental companies. Our major challenge today is to sustain the growth we generated till date. We are proud of our past and we have an active present and we look forward to a promising future.

Regards,

Shah Faisal Ismail

OUR MAJOR SERVICES

CIVIL & CONSTRUCTION

SITE PREPARATION & EARTH WORKS

INFRASTRUCTURE, ROADS & BRIDGES

RENTAL OF HEAVY EQUIPMENT AND TRANSPORTATION

CIVIL & CONSTRCTION

Al Rawasi Qatar Transportation Company is engaged in civil construction of buildings, infrastructure, and industrial erections. Our services range from site survey, soil testing, governmental permissions, excavation, substructure, superstructure, to completion of the project. We have to our credit, several High-Rise Buildings, shopping malls, commercial buildings, Bridges, Roads, and Villas that have helped us establish as a leading Civil construction company in Qatar

We have a team of qualified Engineers and Project Managers, QA/QC/QS and estimation team, who plan, design and oversee the construction and maintenance of building structures and infrastructure, like roads, railways, airports, bridges, harbours, power plants, water and sewerage systems, etc.

In their support we have a team of a skilled and well-trained workforce, foreman to ensure efficient and timebound completion of the projects. Further, we are in possession of some of the modern construction machines and equipment that guarantee productivity and excellent quality of work.

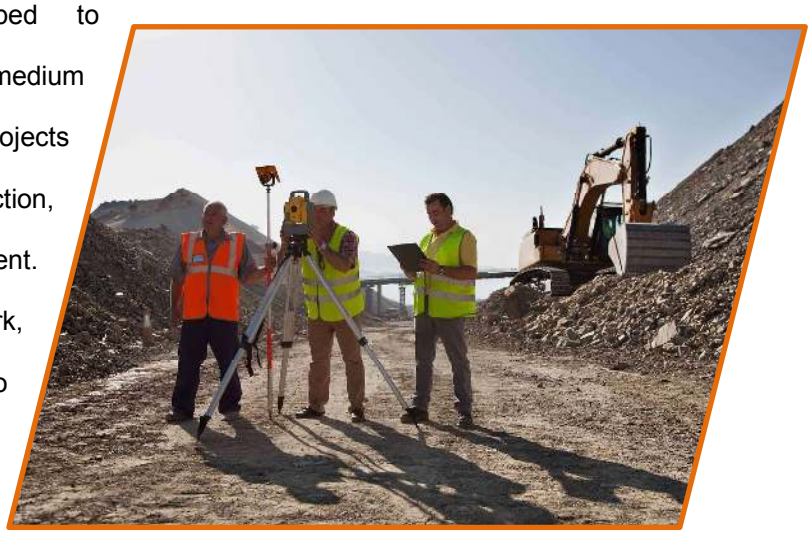

Al Rawasi Qatar Transportation Company is indebted to its valued customers, consultants, Contractors, and Sub-contractors, who have contributed to our success and exponential growth into a leading Civil Engineering & Construction Company in Qatar. We believe that trust forms the foundation of any business, and this keeps us committed to our corporate slogan, ‘Quality, Commitment, Innovation’.

SITE PREPARTION & EARTH WORKS

We are the pioneers in Site preparation work since the 2006. Since then we have become the “Benchmark Contractor” for site preparation work in all Qatar.

Al Rawasi Qatar Transportation Company has vast experience and an impressive fleet of heavy equipment which are essential for completion of all site preparation projects.

We are equipped to complete small, medium and mega-scale projects for new construction, and land development. Survey, Earthwork, excavation up to required depth and backfilling, rapid compaction, installation of security fencing with gates and concertina barbed wire, demolish and re-route existing piping, installation of electrical poles and cables,

complete field mark-up of as-built drawing and all exceptional items and construction of all necessary access roads
